Message from the Executive Director

This Kappa Omicron Nu year is just about over. We appreciate the work of the officers and members that participated in chapter activities during the 2007-08 academic year. Be sure to document your activities and submit an application for a chapter award (or two). See the descriptions and criteria at http://www.kon.org/program_priorities.html.

May 1, 2008 – Deadline for Coordinating Council of Honor Societies Call for Undergraduate Student Research Papers – The recipient of this award receives a check for \$750. See http://www.kon.org/CFP/cfp_cc.html.

The next Kappa Omicron Nu Leadership Institute/Undergraduate Research Conference is set for August 6-10, 2009 at the Radisson Hotel at Opryland, Nashville, Tennessee. More information will be shared Fall 2008.

We are currently working with a company to add a Career Center to the KON Web site. It will probably be completed during the summer, and we will officially launch it next Fall. Watch the Homepage for an announcement.

Another new initiative for next year is a programming initiative that we expect to announce as a spin-off from our participation in the Global Summit on Social Responsibility. More information will come later.

A handwritten signature in black ink, appearing to read "Dorothy Stetifer", is positioned to the right of the main text.
